

WWF in the SWIO Region

SWIO Seascape Strategic Framework

**Focused on 5 Pillars
in a context of a
changing climate**

SAVE OUR MANGROVES NOW!

Draft Decision CP.10/12 (c)

“World Wide Fund for Nature, International Union for Conservation of Nature and Wetlands International, for the development of a common regional vision to guide mangrove conservation through regular regional policy dialogues, and report progress at the eleventh meeting of Contracting Parties.”

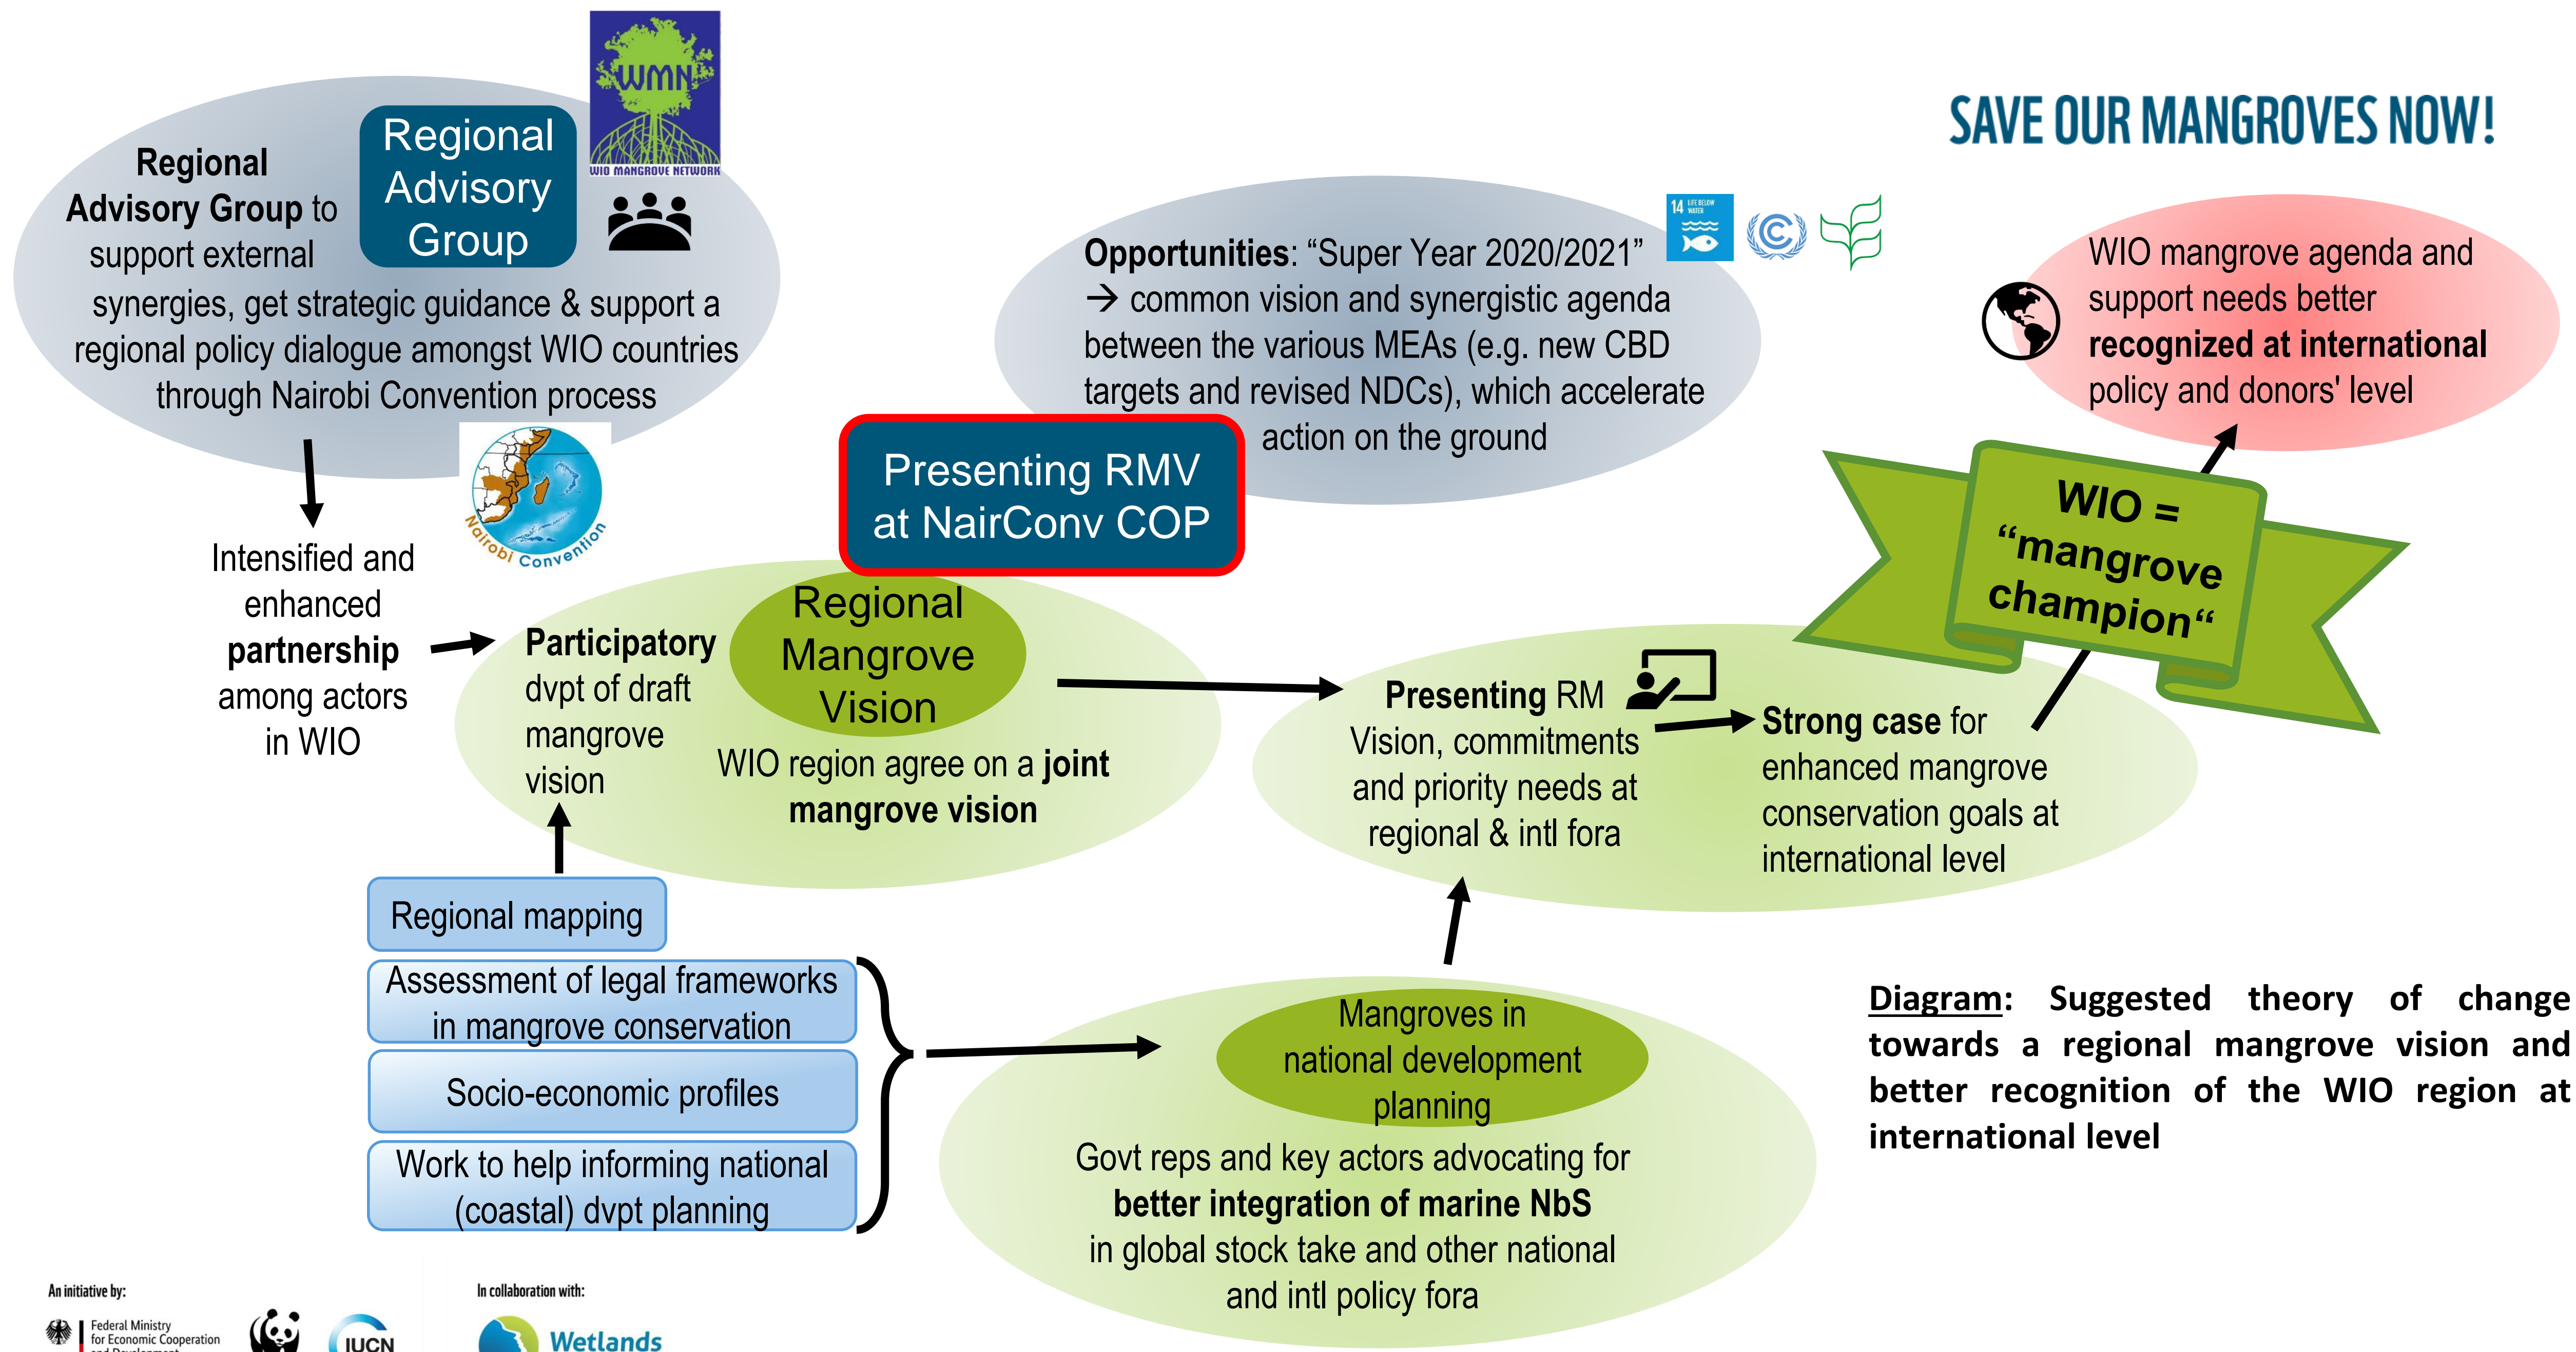

An initiative by:

In collaboration with:

SAVE OUR MANGROVES NOW!
