Regional MSP webinar series

Swedish Agency
for Marine and
Water Management

Regional MSP webinar series

- » Overall purpose to increase the understanding of MSP, its key elements and how it can be applied in a local and national context.
- » Supporting the intentions and implementation of the Western Indian Ocean MSP Framework.
- » Built up by 5 training modules (~ ½-1½ days each) including lectures, excercises, group work and sharing of practices.
- » Total duration approx **4-5 days**. Can also include excercises and group work in-between trainings.

Module 1 – Intro MSP

- MSP for blue economy in the context of marine and coastal management (1/2 day)

Module 2 – MSP process

- MSP process, key elements (setting up framework, preparatory work, etc), stakeholder engagement in different phases (1-1,5 days)

Module 3 – Data and information for planning

- Info requirements, sources and standards, metadata, resources, decision support – how to inform MSP process (1/2-1 day)

Swedish Agency
for Marine and
Water Management
